Dated the 1st September, 2019

Dear Friends,

KURNISH is going to organize a programme on 22nd September, 2019 for distribution of new dresses to 300 distressed, under privileged & poverty-stricken people of closed Tea Gardens in the districts of Alipurduar, North Bengal including one day **BREAKFAST & LUNCH** for them.

Apart from this, we are also going to provide free **SANITARY NAPKINS** to the females of that particular area on yearly basis to make them habituated as we all know that 88% of women in India are driven to use ashes, newspapers, sand husks and dried leaves during their periods. As a result of these unhygienic practices, more than 70% of women suffer from reproductive tract infections, increasing the risk of contracting associated cancers.

We also plan to offer them one time good meal on the day of this programme when they would go back home with filled stomach. Our budget is around Rs. 1,50,000. We approach everyone to be with us. We hope, like past few years, this year too, you will associate us & extend your co-operation. Your help may reach us to our bank for which we shall send official money receipt and express in public and through websites of your generosity. Without a doubt, this financial support will play a key role in achieving our dreams. Because of your bounteousness, the financial burden placed on us to arrange this programme will be reduced & strengthen us to persist and succeed.

If there is anything else that we can provide or any questions we can answer for you, please feel free to call or e-mail us. We will revert back to you promptly.
